

Thank: Digital Giving Auto Thank You's

Every giver deserves to be thanked. Here are several Auto Reply Thank You's for digital givers. As with the Offering Talks, you want to reinforce what you have already delivered. Do not feel the need to introduce new language and do not be afraid to repeat an Auto Reply Thank You during the course of a year. These will need to be contextualized to your church. Once you gain confidence feel free to craft your own.
