

Thank: New Member Letter

Dear (insert first name),

Thank you for participating in our New Membership Discovery Class. We are so glad to have you partner in our mission as a church family. It is our goal to help every new member find their greatest place of growth, fulfillment, and life purpose. We are also aware that you may be in a season of healing or need rest after a life challenge. We encourage you to take your time and go on the journey God has designed for you.

Here are the steps we reviewed in the New Membership Discovery Class that we have watched many others walk through. We have learned that they provide tremendous opportunities for growth, fulfillment, and impact for you and your family.

First, be faithful in worship. The experience of corporate worship is a powerful tool every believer needs to experience regularly. Joining with others to glorify God is transforming. If you can't make it in person, then join in our Facebook Live feed or online campus. *(insert links)*

Second, look for a place to belong. A small group of friends that will pray for you, support you, and help you grow is critical. You can find a small groups directory list here *(insert link)*. If you have any questions or need help please contact *(insert contact information)*.

Finally, seek ways to make a difference. The discovering class helped you learn about your unique gifting and calling in life. As you go on the journey of living for impact, the two easiest ways to get started are to join a team and make a gift. To learn more about different opportunities to test the waters of serving, review the ministry offerings you were provided and begin praying. Reach out to the team leader. They will be able to answer questions, train, and help you live your life to the fullest. In addition, you can download the generosity by LifeWay app or log on to *(insert church giving page URL)* and discover easy ways to give which propels our mission forward.

Once again, we are thrilled you are a partner in ministry with us. Our leadership is praying for you and is here to serve. God Bless.

Sincerely,
