Church Legacy Ministry Part 2

Notes

What hinders Legacy Ministry?

There is so much piled against the church ministry to keep legacy ministry from beginning and it's effectiveness.

- **Lack of _____:**
Pastors are usually busy with the day to day, weddings, funerals, and all kinds of fires to tend that puts a Legacy ministry on the back-burner.

- **Financial _____:**
Unfamiliar with the financial terms and practices associated with legacy giving.

- **Long _____:**
No plans on how the church will respond to future needs of the ministry 10 to 15 years down the road.

Overcoming those hinderances:

- You have to have a big goal.
- Starting a legacy ministry must become a priority.
- Explore the meaning of financial terms like wills, trusts, and gift annuities.
- Create a plan and establish a strong vibrant legacy ministry in your church.
