Church Legacy Ministry Part 4

Notes

How to establish a Legacy Ministry in your church

- You must build it on a biblical platform.
- You need to have the ministry focus. Establishing a spiritual dynamic for the future.
- You have to create governing policies. It typically takes about 12-15 months to institute.
- Make a communication plan. It starts with one good story-teller who can tell how God led them through their estate plan. This becomes a model for other in the church to follow.
- Establish regular celebrations of special and major gifts. Celebrate how God blessed your church with this gift.

You can establish a Legacy Ministry in your that will help move your mission and ministry forward.
